

VFW 1388 hosts WWII vets

BUCKEYE LAKE – VFW Post 1388 regularly invites WWII veterans from the Woodlands Assisted Living Center in Columbus for lunch.

Last month's lunch included live Big Band music from The Continental Sexton. Buckeye Lake Mayor Frank Foster declared August 18 as Celebrate Central Ohio Veterans Day. Foster joined VFW members in thanking the elderly veterans for their service.

Fish hatchery archery range open to public

(continued from Page 6)

Youths age 17 and under are eligible to hunt deer in the hatchery woodlands when accompanied by a properly licensed non-hunting adult (18 years of age or older). The hunt will be held during the 2009 Statewide Youth Deer Gun Season (November 21 and 22, 2009).

The drawing will be held at approximately 10:30 a.m. To participate in the drawing, a non-hunting adult must be present to register, and must present a 2009 Ohio hunting license and a 2009 Ohio Deer Permit. Youths need not be present at the drawing to be eligible for the hunt.

A total of 16 permits will be drawn for four hunting locations. These are half-day hunts. Four hunters will be selected to hunt in the morning, and four in the afternoon. Only one youth may accompany each non-hunting adult. Permits are transferable, but a properly licensed non-hunting adult (18 or older) must accompany the youth during the entire hunt.

The Division of Wildlife's Hebron State Fish Hatchery is two miles south of Hebron, at 10517 Canal Road South East. Stamps and licenses will not be available for sale at the drawing. Only one registration card per fully licensed adult may be entered for each drawing.

Archers are encouraged to bring their archery equipment along with them on September 19 to try out the Hebron State Fish Hatchery archery range after the drawings are completed. The archery range features 20 and 40-yard lanes with both

standard and broadhead targets, plus six lanes designed for the National Archery in the Schools Program (NASP) with targets stationed at 10 and 15 meters. There is also a 12-foot high shooting tower for archers getting ready for the upcoming deer hunting season.

The Hebron State Fish Hatchery archery range is open to the public from dawn to dusk, seven days a week the year around. No permit or user fee is required. The range, with the exception of the elevated shooting tower, is accessible to mobility impaired archers.
